KIDDIES SWIM VEST

Made from premium and durable Nylon and EPE foam, which can provide kids with comfortable experience when they are in water.Provide a great buoyancy and snugly fits to arms for safety using. Swimming vest arm floaties can help Kids to float in water, providing added safe protection when Kids learn to swim.The adjustable double-buckle design, offer a safe support for kid whose weight is between 25kg Lovely cartoon pattern on the swim arm sleeves can help children improve their interest on learning swimming.And the bright color makes it easy for parents to keep an eye on children. Keeps balance in water with wearing this swim arm bands, and brings more freedom and confidence to swim and play.Enjoy the water fun with your kids.

Not suitable for children under 3 years old.
