New Product

Show by Pastel Glow Light |
Sponge-Tip Liquid Highlighter

Show by Pastel Glow Light is a liquid highlighter with a sponge applicator that gives the skin a natural radiance, a dewy look, and a glass-like luminous finish. This lightweight liquid highlighter delivers a fresh, bright, and striking glow with light-catching pigments. Its dewy finish leaves the skin feeling fresh, radiant, and captivating. Developed with smart gel technology, its waterproof formula supports a water, humidity, and heat-resistant makeup look.

With up to 8 hours of wear, it maintains a fresh glow all day long; its smudge and sweat-resistant properties make it ideal for everyday use. The sponge applicator, which allows for easy and controlled application, makes it easy to apply the product directly to the areas you want to highlight.

Show by Pastel Deep Contour
Liquid Contour with Sponge Tip

Show by Pastel Deep Contour is a liquid contouring product with a sponge applicator that accentuates facial features with a natural shading effect. Developed with smart gel technology, its waterproof formula supports a water, humidity, and heat-resistant makeup look. With up to 8 hours of wear, it maintains a balanced contour look all day long; its smudge-proof and sweat-resistant formula makes it ideal for everyday use. The sponge applicator, which provides easy and controlled application, makes it easy to apply the product directly to the areas you want to contour.

Thanks to its buildable formula, a single coat provides a soft and natural shading effect, while increasing the intensity creates a more defined and dimensional contour look. Suitable for all skin types, including oily, dry, and combination skin.

Show by Pastel Dewy Blush
Sponge-Tip Liquid Blush

Show by Pastel Dewy Blush is a liquid blush with a sponge applicator that gives cheeks a fresh, vibrant, and natural color. Its dewy finish leaves cheeks looking dewy, luminous, and fresh. Developed with smart gel technology, its waterproof formula supports a water, humidity, and heat-resistant makeup look. With up to 8 hours of wear, it maintains a fresh blush look all day long, while its smudge-proof and sweat-resistant formula makes it ideal for everyday use. The sponge applicator, which provides easy and controlled application, makes it easy to apply the product directly to the cheeks.

Thanks to its lightweight texture that allows for layering, it adapts to different makeup styles, from everyday makeup to office makeup, from no-makeup makeup looks to clean girl makeup styles. It offers a soft and natural color effect in a single coat, while increasing the intensity creates a more pronounced liquid blush look.

Low pH Formula: Formulated to match the skin's natural acidity, ensuring it cleanses without stripping the skin of its essential moisture or disrupting the skin barrier.

Contains Hyaluronic-Zinc, a combination that helps regulate excess sebum and control oil production while simultaneously locking in deep hydration.

This facial wash is marketed towards those looking for a gentle, hydrating, and brightening cleanser. It is suitable for various skin types, including sensitive skin, due to its low pH and gentle formula. If you are looking for a product that cleanses without compromising your skin's barrier, this Wardah Light+ facial wash could be a good option. It is recommended to patch test any new skincare product before using it on your entire face
